Re: Catering by Central Perks

To Whom It May Concern:

It is my pleasure to recommend Central Perks as a catering company during your stay in Marshall, TX. I am a legal secretary with the firm of Howrey LLP, and my company and I were in Marshall for three weeks in May 2008. Central Perks catered all of our meals during this time for 15-25 people.

I have been off-site with my firm on at least 10 occasions such as this. Central Perks was by far the best catering company I have ever had. I would highly recommend Central Perks. The food quality and variability for the three weeks was outstanding.

If I can be of any further assistance, or provide you with any further information, please do not hesitate to contact me.

Sincerely,

Dawna Peich
Legal Secretary
