Re: Slusser Wilson & Partridge LLP Trial Team

Dear Deb and Robert:

I wanted to thank you for an outstanding job catering for our trial team while we were in Marshall. Coming from out of town and trying to pick a caterer, the task was a little daunting, but from beginning to end you made the process an enjoyable one and it was truly a pleasure to work with each of you! The food was sensational and without a doubt the service was excellent. You went above and beyond what we expected and believe me when I say dinner was the highlight of our day! Everyone raved about the food every single day; it was absolutely delicious!

I wouldn't hesitate to recommend Central Perks to any trial group, or anyone looking to cater their event because they will certainly receive only the best catering Marshall has to offer! I look forward to working with you again!

Sincerely,

Sonia Rectenwald
